Corporate Sponsor Program

About Solaris

Solaris Vocal Ensemble is a chamber choir that formed in 2013. We are a Burlington, Vermont based ensemble dedicated to extraordinary performances of compelling choral literature that spans various musical styles and includes a variety of instrumental forces. Solaris is a select ensemble of 24 auditioned singers from all walks of life. Many of our singers are musicians by vocation living their passion as conductors, voice instructors, and music educators.

Solaris Vocal Ensemble is dedicated to the belief that choral music – the powerful combination of music and language – can energize and inspire the human spirit. Our mission is to bring light and meaning to great choral works that span the ages, through compelling performances imbued with passion and musical artistry.

To help sustain Solaris' dedication to the choral art, I invite you to consider becoming a sponsor for this very special organization.
