

Corporate Sponsor Program Make Your Marketing Dollars Sing

Solaris Vocal Ensemble is a chamber choir of 24 singers performing compelling choral music in Central and Northwestern Vermont. We provide two major programs annually, each in two or three communities. Our audiences are enthralled by our performances; moved at times to laughter and at times to tears, spell-bound by the beauty of the music, and thrilled to be invited to sing along.

Your financial support is a powerful investment in Vermont's rich musical culture, a culture that improves the quality of life in our communities and contributes to the vitality of our region.
